

Naravno da izgleda da šef ima veću moć, veću moć da otpusti, da uznemirava i da zagorčava tvoj život. Međutim mi možemo ograničiti tu moć šefa tako da se zbližimo, organiziramo i dovedemo u pitanje nepravedno i izrabljivačko postupanje.

UPRAVA ČESTO NAPADA ONE KOJI SU SLABIJI ILI U NEPOVOLJNIJEM POLOŽAJU.

ALI AKO SU RADNICI ORGANIZIRANI TADA JE UPRAVA TA KOJA JE U NEPOVOLJNIJEM POLOŽAJU!

Diskriminacija, kršenje i smanjenje radničkih prava, mobbing i izrabljivanje radnika se lako mogu proširiti i postati svakodnevna praksa ako se tome ne suprotstavi! A kakva je situacija na radnome mjestu kada nitko ne vjeruje da je „ozljeda nanescna jednome ozljeda nanescna svima“? Jadna, kao što su jadna prava tih radnika.

NEMOJMO DOZVOLITI DA SMANJENJE I KRŠENJE RADNIČKIH PRAVA POSTANE DIJELOM SVAKODNEVICE I DIJELOM NAŠIH ŽIVOTA! USTANIMO ZAJEDNO I POČNIMO VJEROVATI DA NAŠA SNAGA, SNAGA S KOJOM MOŽEMO SVIJET UČINITI BOLJIM MJESTOM, LEŽI U NAŠOJ brojnosti i solidarnosti.

Of course it looks like the boss has more power, the power to fire, and the power to harass or make your life miserable. But we can limit the boss's power by reaching out to one another, by organizing, and by challenging unfair and exploitative treatment.

MANAGEMENT OFTEN GOES AFTER THOSE WHO APPEAR TO BE WEAK OR DISADVANTAGED.

BUT IF THE WORKERS ARE ORGANIZED THEN IT'S THE MANAGEMENT WHO IS IN A WEAKER POSITION!

Discrimination, violations and decrease of workers' rights, mobbing and exploitation of workers can easily grow and expand into everyday practice, when it is not challenged! And what is the situation in a workplace like, where no one believes that "an injury to one is an injury to all"? Miserable as are the workers' rights of those that work there.

DON'T LET THE DECREASING OF WORKERS' RIGHTS AND THEIR VIOLATIONS BECOME A PART OF EVERYDAY LIFE AND A PART OF OUR LIVES! LETS STAND TOGETHER AND BEGIN TO BELIEVE, THAT OUR STRENGHT, THE STRENGHT TO CHANGE THE WORLD INTO A BETTER PLACE, LIES IN numbers and solidarity.
